Arrival

Please travel via the **Tauern Motorway (A10)** and take the exit "**Gmünd/Kärnten**". **Important:** After leaving the motorway, please turn off your navigation system, as Android- and Google Maps-based systems (including Tesla) may not guide you correctly and might direct you into a forest.

Instead, please follow these directions:

1. After the motorway exit, take the **second exit** at the first roundabout towards "Gmünd."
2. At the second roundabout, take the **first exit**, also towards "Gmünd."
3. Follow the road for **3,900 meters**. On your left, you will see the "Karosserieklinik" (body shop), followed by the town entrance sign "Eisentratten" on the right.
4. After **120 meters**, turn right across a small bridge (opposite the "Post" inn).
5. Continue straight for **3,000 meters**. After a gentle right turn, turn right again (look for the sign "Haus Diehl" or "Hanselbauer").
6. Drive uphill for another **1,600 meters**, and you will arrive at our parking lot.

Winter Advisory: Winter tires are mandatory in the winter months. In case of heavy snowfall, snow chains are also required.
